Over the weekend and Colt's Cornerback Kenny Moore made his debut on NFL's top 100 list. Kenny Moore was ranked 82 on the list.

Moore is one of the best slot corners in the league and his peers are giving him credit. Moore helped Indy's stingy defense record 33 takeaways. The Colts' 33 takeaways ranked second in the NFL.

Moore's Story

Undrafted from Valdosta State Moore joined the New England Patriots in 2017. Despite Moore's talent, he was cut by New England on September 2, 2017. Indianapolis claimed off waivers in 2017 and Moore has stayed on Indy's roster.

Since 2017 Moore has been a mainstay for the Colts' defense. Each season Moore has improved and helped Indy become one of the best defenses in the NFL. In Matt Eberflus's defense, Moore was used as a blitzzer, slot corner, and made game-changing plays.

While in Indianapolis Moore has posted good stats. In five seasons, he has 358 tackles, seven sacks, and 14 interceptions. If Moore continues to improve, he can move up the ladder in the top 100 and continue to solidify himself as one of the best cornerbacks in the NFL.
